

Santa Fe El Castillo Unit Meeting on Sustainability Position

January 13, 2006

Notes by Lynn Jones

Question 1: Answer: Definitely was unanimous

- Subquestion a: unanimous yes
- Subquestion b: unanimous yes

Question 2: Answer: “Of course” was unanimous

Note: Corporations treated as citizen. This should not be tolerated. Corporations need to be more subject to increased regulation.

Development and implementation of international standards is being done by some states and might serve to prod the Federal Government.

Question 3: Answer: “Absolutely”

Question 4: Answer: All agree that the League has already a position including all members of our society...perhaps the education emphasis could be increased.

Some discussion centered on deciding on “principle”, the “position” to follow.
